

FOR IMMEDIATE RELEASE

**Lissette P. Gomez, HLSAMP Scholar, Graduates With Top Honors  
Texas State University College of Science**

**Lissette P. Gomez**

Texas State HLSAMP scholar **Lissette P. Gomez** (major-biology, double minor in biochemistry and psychology) has been selected as the 2007 commencement speaker for the College of Science commencement ceremony on May 12, 2007. University President Denise Trauth will also present Lissette with the 2007 Sallie Beretta Outstanding Senior Woman Award. Lissette's numerous awards include the Houston-Louis Stokes Alliance for Minority Participation Scholars Program (HLSAMP), Mariel Muir Endowed Science Scholarship, Joan Austin Memorial Scholarship, Golden Key Honor Society, and she is also one of the first undergraduates at Texas State to receive the Durrenberger Scholarship for Women in Science. Lissette has been a Dean's List student during her entire university career and will graduate Summa Cum Laude. Lissette is a Joint Admissions Medical Program (JAMP) student and will attend medical school at Baylor University College of Medicine in Houston, Texas.
